District of Columbia — Individual Income Tax Forms

IMPORTANT MESSAGE TO TAXPAYERS

This booklet contains your 1989 District of Columbia individual income tax forms and instructions. The forms contained in this booklet may be reproduced.

If the department mailed this booklet to you, we ask that you make any necessary corrections to the mailing label (and attach it to your return before mailing) in order to expedite processing.

In calculating your tax year 1989 individual income tax, please note the following changes; they are discussed in detail in the instructions contained in this booklet.

- The personal exemption has been increased.
- The credit for political campaign contributions was repealed.
- The credit for child and dependent care expenses has been increased.
- D.C. Lottery winnings are now taxable.
- Additional information is required on dependents.
- Schedule A has been eliminated.
- Taxpayers who itemize deductions on their Federal tax return ***must*** itemize on their D.C. tax return.

Before you prepare your 1989 District of Columbia individual income tax return, you must complete your Federal income tax return. The total Federal adjusted gross income is carried over to the District individual income tax return. For tax year 1989, if you are not required to file a Federal tax return, you do not have to file a District individual income tax return (see instructions for filing requirements).

The District of Columbia will continue to provide numerous taxpayer assistance services in 1990. For a list of these services, please see the inside of this booklet. We will also continue to give prompt attention to processing and mailing all income tax refunds. To allow our employees to fully assist taxpayers with the preparation of their returns during the peak filing period, please call after May 1, 1990, if you need information regarding the status of your 1989 refund.

INSTRUCTIONS

PURPOSE—A taxpayer must use Form FR-127 to request a 4-month extension of time or Additional extension of time in order to file an Individual Income Tax Return, Form D-40, Form D-40EZ or Fiduciary Income Tax Return, Form D-41.

WHEN TO FILE—The application for extension of time to file must be submitted on or before the due date of the return or the extended due date if you file for an Additional extension of time after you have previously filed a 4-month extension of time application. The application should be submitted in sufficient time to enable processing by the Department of Finance and Revenue.

WHERE TO FILE—Mail the completed form with your payment for any tax due as shown, to the Department of Finance and Revenue, 300 Indiana Avenue, N. W., Washington, D. C. 20001. Be sure to properly sign and date the form.

PART I APPLICATION FOR EXTENSION OF TIME—A 4-month extension of time will be granted if you complete the form properly, file it on time and PAY with it the amount of tax shown on line 7. When completing PART I, You need only submit one application form. Do not file in duplicate. **However, a copy must be attached to your return when filed.** A separate application must be submitted for each return. Blanket requests for extensions will not be granted.

PART II APPLICATION FOR ADDITIONAL EXTENSION OF TIME—Complete PART II to ask for an additional extension of time to file your return if you have already filed an application for an extension of time, but still need more time.

Do not file an application for Additional extension of time unless you have first filed an application for extension of time.

If you are completing PART II, you must submit the form in duplicate and show reasonable cause why you could not file your return within the 4-month extension period. A copy of your PART II **Approved** request must be attached to your return when filed. Generally, consideration of your application will be based on your efforts to meet the filing requirements, rather than on the convenience of your tax return preparer. However, consideration will be given to circumstances in which your practitioner is unable, due to reasons beyond his control, to complete the return for filing by the due date, or to other circumstances in which you are unable to get essential professional assistance in spite of timely efforts to obtain it.

D.C. RESIDENTS LIVING OUTSIDE THE UNITED STATES—Those individuals living or traveling outside of the continential limits of the United States at the time their return is due to be filed may complete PART I to request a 4-month extension of time. An additional extension of time of 8 months may be requested by completing PART II if more time is needed. In no case may an extension of more than one year be granted (6 months for residents living in the District at the time their return is due to be filed). The request for extension of time must be filed on time and any tax due shown on line 7 must be paid.

FEDERAL EXTENSION FORMS—The Department of Finance and Revenue no longer accepts copies of Federal Application Forms. YOUR EXTENSION REQUEST WILL BE BASED UPON THIS APPLICATION FORM ONLY.

INTEREST—Interest at the rate of one and one-half percent per month or portion of a month must be paid on any tax which is not paid on time. Interest is computed from the due date of the return and applies even though an extension of time may be granted in which to file the return.

SIGNATURE—The application must be signed by the taxpayer or a duly authorized agent. If it is signed by a person with a duly authorized power of attorney, a statement to that effect should be made below. It will not be necessary to attach a copy of the power of attorney.

If the taxpayer is unable to sign the application because of illness, absence, or other good cause, any person standing in close personal or business relationship to him may sign the application. However, the signer must state below the reasons for his signature and his relationship to the taxpayer.

SOCIAL SECURITY NUMBER—Under the provisions of Sec. 47-1805-1(a) of the D.C. Income and Franchise Tax Act, your Social Security number must be entered in the space provided. Your Social Security number is necessary for proper identification of your account with the District and will only be used for tax administration purposes.

Instructions for Form D-40 and for Schedule H

DISTRICT INCOME TAX HIGHLIGHTS

There are a number of changes for 1989. They are mentioned here and also detailed in the specific line by line instructions.

- The personal exemption on both the D-40 and D-40EZ has been increased from $1,025 to $1,160.
- There are new low income credit tables.
- Credit for political campaign contributions has been repealed.
- Credit for child and dependent care expense increases from 30% to 32% of the Federal allowable credit for full-year residents and a new computation is used by **part-year residents,** who must complete and attach Form D-2441 to the D-40 they file.
- If you itemize deductions on your Federal tax return, you must also itemize deductions on your D.C. return. Therefore, D.C. Schedule A has been eliminated from this booklet. You **must** attach a copy of Federal Schedule A to your D.C. return.
- D.C. Lottery winnings must be reported as taxable income.
- There is a new section on Form D-40 where you must enter the name, relationship and Social Security number of dependents that you are claiming as exemptions. Additionally, there is a box on line 9 of Form D-40 that must be checked if you, as the filer, are a dependent taxpayer.

Read carefully the instructions contained within this booklet before preparing your District return. You should complete your Federal return before preparing your District return. You should also use Form D-40 to request a refund of tax withheld if you are not required to file a D.C. return because you were not required to file a Federal tax return.

GENERAL INSTRUCTIONS

If you received a mailing label on the booklet that was sent to you, please affix the label to the tax return that you file. For those taxpayers who did not receive a label, you must print your name, address and Social Security number.

Married taxpayers who file separately on one form should use Column A for the husband and Column B for the wife. Taxpayers who are single, head of household, married filing jointly or married and spouse is filing on a separate form must use Column B.

Married taxpayers who file jointly or separately on one form must be careful to show social security numbers for each one. If you are married and filing on a separate form, enter your spouse's name and Social Security number in the space provided next to Filing Status D.

District law requires that your Social Security number be entered in the space provided. Your Social Security number is necessary for proper identification of your account with the District and will be used only for tax administration purposes.

The instructions in this booklet generally assume that you are filing a Federal tax return and instruct you to enter certain items or amounts from your Federal return on your District return.

Who Must File a Tax Return

File a Form D-40 if your income exceeds the amount of personal exemptions and standard deductions allowed under the Federal Internal Revenue Code of 1986:

- For married persons filing jointly;
- For single persons;
- For heads of household; or
- For married persons filing separately

and (1) You maintained a permanent home (domicile) in the District at any time during the taxable year; or (2) You maintained a place of abode (lived) in the District for an aggregate of 183 days or more during the taxable year. If the requirements of (1) or (2) are met for less than the full year, you must file a part-year return.

Note: If you do not meet the income requirements, but you are a resident of the District, you should file Form D-40 to request a refund of tax withheld. You should also use Form D-40 to request a refund of tax withheld if you are not required to file a D.C. return because you were not required to file a Federal tax return.

Who is Not Required to File a Return

Do not file a return if you were:

- Single, married filing jointly or separately, or head of household and not required to file a Federal return.
- Not a resident of the District.
- An elective officer of the U.S. Government, unless domiciled in the District.
- An employee on the personal staff of an elected officer in the legislative branch of the U.S. Government, and both you and the elected officer are bona fide residents of the same state.
- An officer of the executive branch of the U.S. Government appointed by the President of the United States, subject to confirmation by the Senate of the United States, and whose tenure of office is at the pleasure of the President, unless you were domiciled within the District at any time during the taxable year.
- A Justice of the Supreme Court of the United States not domiciled within the District at any time during the taxable year.

Note: Foreign Service officers are no longer exempt and are required to file a D.C. return.

Note: If you are a nonresident who is not required to file a District return, and District tax was withheld from your wages, use Form D-40B to claim a refund. Form D-40B may also be used to request a ruling with respect to liability for District income tax. To request a Form D-40B, see instructions on How to Obtain Forms. If you are not required to file a tax return, but you are entitled to a property tax credit, file Schedule H (Form D-40) only.

How to File a Part-Year Return

If you were a District resident for less than a full calendar or fiscal year, follow instructions 1 through 4 below. If you and/or your spouse lived in the District for less than a full year and for different periods of time, you must file separate Forms D-40.

(1) Complete Part I of Form D-40, page 2 by copying the corresponding line by line amounts from your Federal return. Gross income received while a nonresident of the District is subtracted by reporting such income on line 48, Part II of Form D-40, page 2.

(2) Prorate your personal exemptions and credit for dependents according to the number of months you were a resident of the District. (For the purpose of prorating exemptions and dependents, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month.)

(3) For the purpose of prorating the standard deduction, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month. If you itemize deductions on your Federal return, you must also itemize deductions on your D.C. return. Copy your total deductions from your Federal Schedule A. Subtract the deductions paid during the period of non-residence in the District on line 58, Part III of Form D-40, page 2. A copy of Federal Schedule A must be attached to your D.C. return.

(4) Do not claim the property tax credit. This credit is allowed only if the claimant lived in the District for the full twelve months of the year.

When and Where to File

File your return as soon as possible after January 1, but not later than April 16, 1990. Mail it to the Department of Finance and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C. 20044-7861.

Extension of Time for Filing

Copies of Federal extension of time requests are not accepted.

If you require more time to file your return, an extension of time may be requested by filing Form FR-127 on or before April 16, 1990. Any balance of tax due, as shown on Form FR-127, must be paid with the request. **Interest must be paid on any tax which is not paid on time, and is computed from the due date of the return even though an extension of time may be granted in which to file the return. Additionally penalty is assessed on any unpaid portion of tax due with the extension of time.** To request a Form FR-127, see instructions on How to Obtain Forms.

Payment of Balance Due

Any balance of tax due must be paid with your return. If combined separate filing is elected, the combined net balance due must be paid with your return. Make your **check** or **money order** payable to the "D.C. Treasurer." **Do not send cash.** Write your Social Security number and tax year on your payment. Please keep a record of your payment.

Penalties and Interest

The penalty for failure to file a return on time or failure to pay any tax due is 5 percent of the unpaid portion of tax due for each month, or portion of a month, that such failure to file or pay continues, but not more than 25 percent in the aggregate.

In the case of a substantial understatement of tax for any return due to be filed, there shall be added to the tax an amount equal to 20 percent of the amount of any underpayment attributable to the understatement. There is a substantial understatement of tax if the amount of the understatement exceeds the greater of (a) 10 percent of the tax required to be shown on the return or (b) $2,000. Understatement means the excess of the amount of tax required to be shown on a return, or determined through an audit or review, over the amount of tax imposed that is shown on any original or amended return, less any overpayment, credit, or refund.

Interest at the rate of one and one-half percent per month, or portion of a month, must be paid on any tax which remains unpaid after the due date of the return. Interest is computed from the due date of the return to the date of payment and applies even though an extension of time to file may have been granted.

Notice of Charge for Dishonored Checks

A penalty of $15.00 will be imposed if a check in payment of any obligation due the District of Columbia is not honored by your bank.

Declaration of Estimated Tax for 1990

A Declaration of Estimated Tax is required when an individual anticipates gross income not subject to withholding tax that will result in a tax liability of more than $100.

Joint or Separate Returns

It is generally advantageous for married couples to file separate returns. They may file separate returns on one Form D-40. Separate returns should include only the income of the filing spouse.

Joint returns must include all income of both spouses. The names and Social Security numbers of both spouses must be entered in the heading of the return. Both spouses must sign the return.

Combined Separate Filing

If combined separate filing is elected: (1) the husband must report his income in column A and the wife must report her income in B; (2) the names of both spouses must be entered in the heading of the return; and (3) both spouses must sign the return. Do not claim an exemption for the other spouse if he (she) is filing a separate or combined separate return.

Change of Address — If you move during 1990 after filing your 1989 District income tax return, notify the Department of Finance and Revenue of your new home address. This notification should be in writing and should contain the following information:

1. Name(s) under which the return is filed;
2. Address shown on return;
3. Your new address; and
4. Your Social Security number and, if applicable, your spouse's Social Security number.

Note: If you have notified your post office of a change of address, your refund check, if you are due a refund, should be forwarded to the new address.

Deceased Taxpayers

If a person died in 1989 or in 1990 before filing a return for 1989, the executor, administrator or surviving spouse must file a return for the decedent. An executor or administrator may elect to file a joint return for the surviving spouse. If an executor or administrator has not been appointed, the surviving spouse may file a joint return and indicate on the return in the designated area the date of death. It is not necessary to prorate the personal exemption or standard deduction of the deceased taxpayer if he (she) died during 1989. If a refund is due, attach Form FR-147 and a copy of the death certificate. To request a Form FR-147, see instructions on How to Obtain Forms.

Surviving Spouse

You may qualify as surviving spouse if you meet all the tests for Federal tax purposes. If your spouse died in 1989, you ma file a joint return for the year if: (1) you were entitled to file a joint return at the time your spouse died and (2) you did not remarry during the year. If you are a surviving spouse with a qualified dependent, you may file as head of household.

Whole-Dollar Accounting

You may round off cents to the nearest whole dollar on your return and schedules. If you elect to round off, do so for all amounts. You can drop amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar.

Attachments to the Return

Fill in applicable items of income, adjustments, tax computation and deductions on the official return form and schedules. If you need more space, attach statements that follow the format of the official forms. Enter the totals shown on the supporting statements on the appropriate lines of the official forms. Be sure to put your name and social security number on any attachments.

How to Obtain Forms

District tax forms may be obtained in Room 1046 of the Municipal Center, 300 Indiana Avenue, N.W., or by calling 727-6170.

A limited supply of general purpose forms will also be available at several other locations in the District. For a recorded list of other tax forms locations, please call 727-6103.

Amended Returns

Form D-40X must be used to correct a previously filed Individual Income Tax Return (Form D-40). Do not file an amended return to provide additional information that has been requested by the Department of Finance and Revenue about any tax return you have already filed. If an adjustment was made by the Internal Revenue Service on any Federal tax return, you must file an amended D.C. return within 90 days of final adjustment. Amended returns should be mailed separately from your current year return. By filing an amended return as early as possible, you can minimize any accrued interest charges.

SPECIFIC INSTRUCTIONS

Report the husband's income, deductions and exemptions in column A, and the wife's in column B if you elect to file combined separate returns.

Instructions for Page 1, Form D-40 Lines A thru E — Filing Status and Exemptions

Place an "X" in the block which designates your filing status. Married persons separated and living apart must file as single persons. Married persons not divorced or separated but living apart must file as married filing separately. Head of household status may be claimed if you are eligible for such status on your Federal return. You must allocate the exemptions for taxpayer and spouse together with the exemptions for age 65 or over, or blindness to the taxpayer to whom they relate.

Indicate in the blocks beside your filing status the personal exemptions to which you are entitled. You may claim an exemption for your spouse only if all the income of the spouse is included on the return or if your spouse had no income.

If you were 65 or over, enter a "1" in the block beside your filing status. If a joint return is filed and both husband and wife were 65 or over enter a "1" in each block under this heading. If only the husband is 65 or over enter a "1" in the block marked "H" or if only the wife is 65 or over enter a "1" in the block marked "W".

If you are blind, enter a "1" in the block beside your filing status. If a joint return is filed, the figure '1' should be entered in the same manner as described above in the 65 or over instructions. The term "blind" means a taxpayer whose central visual acuity does not exceed 20/200 in the better eye with correcting lenses or whose visual acuity is greater than 20/200, but is accompanied by a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

Enter in the space provided the full name, relationship and Social Security number of each dependent claimed on your Federal income tax return. Enter the total number claimed in the block provided beside your filing status. If combined separate filing is elected, the dependents may be split between the husband and wife as they mutually agree.

Add the numbers inserted in the various blocks and enter the total in the block under Total Number of Exemptions. Multiply the number of exemptions to which you are entitled by $1,160 and enter this amount on line 9, column A and/or B. You must check the box on line 9, if are a dependent taxpayer. If this is a part-year return, exemptions must be prorated. See instructions for line 9, page 1. It is not necessary to prorate the exemptions of a decedent on a final return.

If you were divorced or married during the year, your marital status on the last day of the taxable year controls.

Line 1 — Total Federal Adjusted Gross Income

This is the total adjusted gross income reported on your Federal return and shown on line 43, Part I, page 2 of Form D-40. Part-year residents must include their entire adjusted gross income on line 1 of the return. Non-resident income will be accounted for in Part II, Modifications to Federal Adjusted Gross Income.

Line 2 — Additions

Enter the total additions from line 45, Part II, page 2 of Form D-40.

Line 4— Subtractions

Enter the total subtractions from line 55 Part II, page 2 of Form D-40.

Line 5 — Total District Income

Total District income is the amount of income after modifications to your Federal adjusted gross income. Total District income, plus or minus modifications for additions and subtractions, must equal your Total Federal adjusted gross income reported on line 1.

Line 6 — Standard Deduction

Taxpayers who claim a standard deduction on their Federal tax return **must** claim the standard deduction on their D.C. return. If one spouse itemizes deductions, the other must also itemize and may not claim the standard deduction. The standard deduction allowed for filing status (A), (B) or (C) is $2,000. The standard deduction allowed for filing status (D) or (E) is $1,000. Part-year residents must prorate the standard deduction according to the number of months that they were residents of the District.

Line 7 — Itemized Deductions

Enter the amount from line 61, Part III, page 2 of Form D-40, column A and/or B. If husband and wife living together file separate returns, and one itemizes deductions, the other must also itemize deductions. Deductions may be split between husband and wife as they mutually agree.

Line 9 — Exemptions (and Dependents)

Enter in the appropriate columns A and/or B the correct dollar amounts by multiplying $1,160 times the number of exemptions claimed. Exemptions must be prorated on a part-year return according to the number of months you were a District resident. Any taxpayer who is allowed to be claimed as an exemption on anyone else's tax return for the tax year, cannot claim an exemption on his or her tax return. You must also check the box on line 9.

Line 11 — Tax

If your taxable income is less than $50,000, enter your tax from the Tax Table. Use the Tax Rate Schedule if your taxable income is $50,000 or more. Both the Tax Table and Tax Rate Schedule are included in this booklet.

Line 12 — Credit for Tax Paid Another State

A resident of the District may claim a credit for income tax **required** to be paid, and which was in fact paid to another state, territory or possession of the United States, or political subdivision thereof on income earned or received from sources within that jurisdiction while a resident of the District. (Note: the tax paid to another state is not the amount shown on any form W-2, but the amount of actual tax paid and shown as tax or balance due on another state tax return). To arrive at the credit use the following procedure:

(1) Compute your District income tax liability on all income received within and without while a resident of the District.

(2) To compute this credit, first find the percentage which the income subject to tax in the other jurisdiction while a resident of the District bears to the total income received within and without while a District resident.

(3) You may compute the maximum credit by applying the formula below:

$$\frac{A}{B} \times C = D$$

(A) Is income of any type derived from and taxed by any jurisdiction other than the District. Income derived from, but not taxed elsewhere may not be included in this numerator.

(B) Is your entire adjusted gross income from within and without while a resident of the District.

(C) Is your District tax liability before any other credits.

(D) This is the maximum credit computation. (The **allowable credit** may not exceed your District tax liability before any other credits, and cannot exceed the tax paid to the other state on income attributable to that state.)

Attach a copy of the tax return filed with the other jurisdiction to your District return.

Enter the name of the state to which you paid the tax. If taxes were paid to more than one state, enter the number of states to which taxes were paid and attach a separate list indicating the name and amount paid to each state. You must attach a copy of **each** tax return for which a credit is claimed.

Line 13 — Credit for Child and Dependent Care Expenses

You must meet all the tests and requirements for Federal tax purposes to claim this credit on your District return. (However, married persons may file combined separate returns in lieu of filing a joint return.)You must file a joint return or combined separate returns in order to claim this credit. In the case of a return filed for a full year, **the credit entered on line 13 is equal to thirty-two percent (32%) of the credit allowed on your Federal return regardless of the amount of the credit actually used to offset Federal tax liability. Do not enter the credit directly from your Federal return.**

If you are filing a part-year District return, you must complete District Form D-2441 and attach it to your return. The credit is computed by multiplying 32% of Federal allowable credit by the ratio of the employment-related expenses that were incurred while you were a District resident to the total employment-related expenses allowed for Federal tax purpose. To request a Form D-2441, see instructions on How To Obtain Forms.

Line 14 — Low Income Credit

The District of Columbia provides a low income credit for certain eligible taxpayers If your Federal tax liability is zero because your income was less than the sum of the Federal personal exemptions and standard deduction claimed on your Federal return you may be entitled to a low income credit which will reduce your D.C. tax liability. This credit will reduce your D.C. tax liability but cannot be refunded.

Example: A taxpayer who is single, under age 65 and not blind, and who has gross income of $5,100, is entitled to a Federal exemption of $2,000 and a Federal standard deduction of $3,100. The total of the exemption and standard deduction results in zero Federal taxable income and no tax liability On this taxpayer's District return the income of $5,100, less the D.C. personal exemption of $1,160 and the D.C. standard deduction of $2,000, would result in taxable income of $1,940 and a tax liability of $116. Since there was no Federal tax liability, this taxpayer would be eligible for the low income credit which is found by going to the low income credit table (in this instruction booklet), for single persons, under 65 and not blind. Fin the credit under the column heading number of Federal personal exemptions claimed on the Federal tax return. The amount of the **non-refundable** low income credit is $116.

If you claim this credit, you must attach a copy of your Federal return to your D.C. return.

Line 17 — District Tax Withheld

Enter the total amount of District income tax withheld during 1989 and attach the District copy of all W-2 forms or other approved substitute withholding tax statements to your return.

Line 18 — District Estimated Tax Paid

Enter the amount of any 1989 estimated tax payments. If a joint 1989 estimated tax return was filed, the husband and wife may divide the estimated tax paid between them, or either may claim the total amount paid.

Line 19 — Payments Made with Extension of Time to File

If Form FR-127 was filed to request an extension of time to file, report the amount paid with that request.

Line 20 — Property Tax Credit

Enter the amount of any property tax credit to which you are entitled from either line 9 or line 14, Schedule H. The credit may not be split between column A and B. See detailed instructions for Schedule H.

Lines 22, 23, 24 and 25 — Balance Due or Refund

If the total of your net tax on line 16 is more than your payments and credits on line 21, enter balance due on line 22. This amount should be paid in full with your return unless combined separate filing is elected. If combined separate filing is elected, see instructions for lines 26 and 27.

If the total of your payments and credits on line 21 is more than your net tax, line 16, enter overpayment on line 23. **You must enter on line 24 the amount of overpayment you wish to have refunded to you.** The amount on line 24 will be refunded unless combined separate filing was elected. If combined separate filing is elected, see instructions for lines 26 and 27. Enter on line 25 the amount of overpayment you wish credited to your 1990 estimated tax. If combined separate filing is elected, and if you are filing joint 1990 estimated tax vouchers, you must check the box on line 25 to assure proper credit.

Lines 26 and 27 — Combined Balance Due or Refund (Filing Status (E) only)

Husband and wife who elect to file combined separate returns are the only persons who should complete these lines. The balance due or refund of one spouse must be combined with the balance due or refund of the other spouse. For example:

(1) If the husband has a balance due of $50 (line 22), and the wife is due a refund of $100 (line 24), the amounts should be combined. In this case the result is a net refund of $50. Therefore, the husband should not send a check for the amount shown on line 22.

(2) If the husband has a balance due of $80 and the wife is due a refund of $40, the amounts should be combined. In this case the result is a net balance due of $40, and a check or money order for $40 should be sent with the return.

(3) If both have a balance due on line 22, combine the amounts and enter combined net balance due on line 26. Send one check for the combined amount.

(4) If both have a refund due on line 24, combine the amounts and enter combined net refund on line 27. One refund check will be issued for the combined amount.

Instructions for Page 2, Form D-40
PART I INCOME AND ADJUSTMENTS FROM FEDERAL RETURN
Lines 28 thru 41

These lines are a summary of the items which make up your Federal income as reported on your Federal income tax return. List on each corresponding line in column A and/or B the amount of each item included on your Federal return. Taxpayers filing combined separate returns and using columns A and B should report income as though separate Federal returns were filed.

If you carried on a business in the District and your gross receipts were more than $12,000 for the year, you must also include such income on an Unincorporated Franchise Tax return (Form D-30), even though it is reported on line 33. (See instructions for Form D-30.) To request a Form D-30, see instructions on How To Obtain Forms.

Net operating losses (NOL) may be deducted only to the same extent and for the same year as reported on the Federal return. If a portion of a NOL is carried to years prior to 1982 for federal purposes, such portion is not recoverable on a D.C. return.

NOTE: D.C. lottery winnings are taxable and should be reported as income on line 40.

Line 42 — Adjustments

You may deduct items reported on your Federal return such as reimbursed employee business expense, alimony or separate maintenance payments, Keogh and individual retirement account contributions. The various items of adjustment are listed in the Adjustments To Income section of your Federal tax return (1040).

PART II MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

In order to arrive at total district income, certain modifications may be needed. These should be reported in Part II.

ADDITIONS:

Line 44 — Other Additions

Report on this line (1) the amount of adjustments that were taken on line 42, Part I, that were for the period of nonresidence for part-year filers; (2) the deduction taken for franchise taxes paid in computing business income on line 33 and your share of the deduction taken for franchise taxes paid in computing the income derived from rents, royalties, partnerships, estates, trusts, etc., on line 36; (3) deductions passed through directly to you from a Federal 1120S return, which are used in arriving at the net income of a D.C. Corporation return, on Form D-20; (4) income distributions which for Federal tax purposes may be eligible for income averaging; (5) other items required to be added to Federal adjusted gross income.

SUBTRACTIONS:

Line 46 — Interest on U.S. Obligations

Enter interest and dividend income on obligations or securities of the United States, its agencies or instrumentalities, which were included on your Federal return and reported in Part I of the District return.

Line 47 — State and Local Refunds

If you included refunds of state and local income taxes on your Federal return and they were reported on line 31, Part I of Form D-40, they should be entered on line 47.

Line 48 — Nonresident Income

Enter income which was included on your Federal return that was received by you while you were not a resident of the District.

Line 49 — Social Security Income

A certain amount of Social Security income may be taxable on your Federal tax return. However, such income is not taxable for District purposes. If you included Social Security income in Part I of Form D-40, you should enter that amount on line 49.

Line 50 — Disability Income Exclusion

The disability income exclusion is not allowed as an adjustment to income on the Federal tax return. For Federal tax purposes, disability income exclusion has been eliminated in favor of a credit computed on Schedule R (Credit for the Elderly or for the Permanently and Totally Disabled).

For District tax purposes, the disability income exclusion is treated as an adjustment to income. If disability payments were included in your Federal gross income, you may be able to claim an exclusion on your

District return by completing Form D-2440 and listing the excludable amount on line 50. Specific instructions are contained on Form D-2440.

Line 51 — Income Reported and Taxed on District Franchise or Fiduciary Return

If Part I, page 2 of Form D-40 includes income which was also reported and taxed on a District Franchise or Fiduciary tax return, enter such income.

Line 52 — Interest and Dividend Income of Child

Since D.C. does not have a provision similar to Federal for reporting interest and dividend income of children on Federal Form 8814, this income should be entered on line 52.

Line 53 — Pension and Annuity Income Exclusion

Recipients of military retired pay, annuity income or survivor benefits from the District of Columbia government or the Federal government who are 62 years of age or older on or before December 31, 1989, can exclude from their taxable income the lesser of $3,000 or the actual amount of the pension, military retired pay, annuity income or survivor benefits received during the taxable year. Any amounts **not** subject to tax must be subtracted when computing the exclusion. Use the computation schedule at the bottom of page 6 of these instructions to figure the exclusion.

Line 54 — Other Subtractions

Other items required to be subtracted from Federal adjusted gross income should be entered.

PART III ITEMIZED DEDUCTIONS AND DISTRICT ADJUSTMENTS

Lines 56 thru 59

If you itemize deductions on your Federal tax return, you **must** also itemize deductions on your D.C. return. Enter the total itemized deductions from your Federal return on line 56, column A and/or B. Subtract out the necessary adjustments on lines 57, 58 and 59 and enter your total D.C. allowable itemized deductions on line 61. You **must** attach a copy of the completed Federal Schedule A to your D.C. return.

Line 57 — State and Local Income Taxes

Report state and local income taxes that were included on line 56.

Line 58 — Deductions During Period of Nonresident Status

Line 59 — Contribution Carryovers

Enter contribution carryovers resulting from contributions paid in any year prior to January 1, 1982 that were included on line 56.

INSTRUCTIONS FOR SCHEDULE H (FORM D-40) PROPERTY TAX CREDIT

If you qualify for the property tax credit, and if you are required to file a District Individual Income Tax Return, Form D-40, attach completed Schedule H to the return. If you are not required to file a District Individual Income Tax Return, and you qualify for the property tax credit, Schedule H should be completed and filed by itself. You may not claim a property tax credit if you file Form D-40EZ.

If only Schedule H is filed, District law requires you to furnish your Social Security number in the space provided on Schedule H. This number will be used for proper identification of your account with the District and will be used only for tax administration purposes.

Who May Qualify

You must meet all of the following conditions to qualify for the Property Tax Credit.

1. You must own or rent the home you occupy in the District for the full twelve months of the tax year.
2. Your household gross income must have been $20,000 or less for the year.
3. If you were not 65 or over before December 31, 1989, you must not have been claimed as a dependent on anyone else's 1989 Federal, State or District income tax return.
4. The house or apartment which is your home must not be part of a public housing dwelling.
5. IF YOU ARE AGE 62 OR OLDER, BLIND, OR DISABLED, you may use Property Tax Table B only if you, together with your spouse (if married), provide 50% or more of the household gross income. Persons blind or disabled do not have to meet this 50% test.
6. A Property Tax Credit may not be claimed on behalf of a deceased taxpayer who died before December 31, 1989.

How To File

Your claim for Property Tax Credit, Schedule H, must be attached to your District income tax return, Form D-40, if you are required to file a District income tax return. If you are not required to file a District income tax return, Schedule H (Property Tax Credit Claim) may be filed by itself. If filed by itself, it should be filed by April 16, 1990. If filed with your District income tax return, it should be filed by April 16, 1990. However, a reasonable extension of time may be granted. See Extension of Time for Filing in General Instructions for Form D-40.

File your Schedule H at the time you file your tax return. Filing a separate Schedule H after you have previously filed a tax return could delay your refund.

Important Definitions

1. The word "home" means the claimant's dwelling whether owned or rented and so much of the land surrounding it as is reasonably necessary for use of the dwelling as a home and may include a multi-unit or a multi-purpose building and a part of the land on which it is located.

2. The word "household" means all individuals living in the home.

3. The term "household gross income" means all income received by every individual living in the home, including cash distributions from a business or investment entity in which the claimant has an interest.

4. The term "rent paid" is that amount paid by a claimant to a landlord solely for the the right of occupancy of a home in the District. "Rent paid" does not include: advance rental payments for another period; rental deposits, whether or not expressly set out in the rental agreement; any charges for medical services or food provided by the landlord; or payments made to a landlord for the right of occupancy of property which is exempt from District real property taxes.
